COYOTE BLUE

Specific Notes on Back

"From plants perspective" Alex ☆ LSA near the Power Lines, Blinded
- Sweet Apple, Beauty - Tulip, control
Intoxication - marijuana potato
Knowledge of Death - The forbidden plant
pg. 158 - cognitive dysfunction?
& "we don't understand consciousness scientifically."
measurably.

In the process of taking medication - because I cannot do this myself. I lose the need to gain other peoples acceptance - as I take a drug for it instead...
How ironic, the distillation of altruism & natural connection by "Quickies"
I'd prefer natural, family based therapy, but we'll see how this goes. No I don't appr

Thus want the 'old Spencer' back. The unobstructed excused observer, or the playful child? No one treated Spencer w/ respect who just wanted to give, sure we talked too fast, was too trusting, could find much what others thought. He's smarter we doesn't need trust 'just a conversation. Slow Down', 'JUST WAIT'

SOMEW I GOTTA GO GET ALL THE PROOF & PUT IT IN FRONT OF YOU.

ONE BELIEVE
